***Reasons for Allowance***

Claims 1-7 submitted on 08/12/2010 are allowed.

The following is an examiner's statement of reasons for allowance:

In regard to **claims 5-7**, see office action mailed on 02/18/2010 for reasons for allowance.

In regard to **claims 1 and 2**,

It is in the opinion of the examiner that the art of record neither anticipates nor renders obvious "a swage press housing with a ***front wall integrally formed with the peripheral side wall*** which surrounds a press zone and that an annular piston member moves shoe elements radially into the press zone when the annular ***piston member moves axially towards the front wall*** of the housing" in combination with the rest of the claimed limitations set forth in the independent claims.

Closest prior art examiner has found, Smith, US 4,107,964, discloses claimed invention substantially, but fails to disclose above limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
